

2016 Calendar

Features a new fairy chart for every month

Exclusive to CrossStitcher

“WELCOME TO *CrossStitcher’s* exclusive calendar for 2016. We’re delighted to be featuring a whole year of fabulous fairy designs from Lili of the Valley! With a different fairy for every month, these cute designs will see you through every stitching occasion, from

Valentine’s to Easter and from Halloween to Christmas –you’ll never be short of a quick-stitch idea again. Mount as cards, stitch on cushions or simply hang as pictures as we’ve done – the choice is yours. We love that this bumper chart collection also doubles as a handy calendar – we’ve already earmarked a spot in the kitchen where ours will hang – ready to jot down important dates in the coming year.”

Happy stitching!
