Please note: In old sampler alphabets, the "I" and the "J" are often used interchangeably.

No designing is ever finished without some advice from others. My thanks and appreciation to Jane Cech, Paula Steinberger, Joan Brink and Peg Beckman for their help with stitching, finishing and "advising".

Front and Back Pattern for Scissors Case on 28 count linen stitched over two threads.

The CROSS-EYED CRICKET strives in all faithfulness to present the designs and related material in this leaflet as accurately as possible. Due to the difference between color on the printed page and color on fabric, some variation between the cover photographs and the actual models can occur. Thank you for your understanding.

*Not an exact match, but an excellent substitute.

Please note: The sampler is stitched using plain floss for the greens rather than the Dried Thyme. All other models use the Dried Thyme for both shades of green.

MODELS *Summer Morn* is shown on 28 count Iced Cappuccino from R&R Reproductions. It is worked over two threads using two strands of floss.

The *small pillow* is simply the center section of the sampler worked on 10 count Wild Honey Heatherfield using four strands of floss. The initial has been centered in the boxed area and overstitched in Smyrna crosses of "red" floss after all other stitching is complete. Two lines have been provided on the graph for placement of the date. Dried Thyme is used for the green.

Sew Bee It bellpull is also taken from the sampler. Stitched on the 28 count "sandstone-tea dyed" Wichelt linen, it uses the corners and four repeats from either side plus one repeat from the top to connect them. These areas are boxed on the graph to guide placement. The words "Sew Bee It" are worked in the boxed area to the right of the included sunflower. Sampler Threads® "Summer Meadow" is substituted for 891/676. The bellpull measures 5" by 6.5" and has a simple hemstitched edge. It is finished with hardware #349 and hook P4-1 from Norsk Engros.

The *pincushion*, *needlebook*, and *scissor case* are presented on 32 count Iced Cappuccino linen and are finished with simple twists made from the floss. Stitching is done with one strand of floss. The needlebook has a hemstitched hem worked with the blue thread for a color accent. To finish the scissor case a small golden bee is attached. A pattern for the scissor case is shown on the back cover.
