SUGGESTIONS

Ectoplasmic Kiss follows in the tradition of the many previously released "Kiss" designs. The original title containing 11 kisses is Cricket Collection Number 278, "Give Us A Kiss" which contains a pattern and assembly instructions for creating ornaments. Most of the previous kisses are featured stitched on 30 count "White" Northern Cross linen or 30 count "Parched Bones" R&R Reproductions over-dyed linen. These linen colors will not work as this little spook is himself white. Please be encouraged to choose a fabric and color that appeals to you and will allow the ghost to be seen. Check color compatibility by gathering your thread choices and laying them across the linen. Try different threads or change the fabric color until you are pleased.

ENJOY!
