1 Ply

Whiskers	415/398
Mouth	414/235

SUGGESTIONS

Work your little Egg-fellows on your favorite Easter egg-colored fabric using the thread weight appropriate to the fabric's gauge. Please be encouraged to choose your own threads from among the many wonderful "flavors" available. Two sides of each Egg-fellow have been graphed for you so that you have the information needed to make two-sided ornaments. We wish you a basket full of Easter joy!
